Music Lesson 1

What is classical music?

Classical music is a very general term which normally refers to the standard music of countries in the Western world. It is music that has been composed by musicians who are trained in the art of writing music (composing) and written down in music notation so that other musicians can play it.

Do you like this piece of music. Why/why not?
Which instruments can you hear?
Which piece do you like best? Explain why.
What do you think of the composer, Beethoven?
