What words can you think of to describe Noah?
Write these inside the man.

God gave Adam and Eve jobs to do in the creation story. God also gave humans rules after the flood subsides.
Both the creation and Noah stories show that people have responsibilities given by God — part of being the People of God is trying to live by God's commands.

What is a 'pact'?
When God gives rules in the Noah story he makes a covenant — a pact.
God is not just giving humans rules to obey, but he also has a promise to keep.

'What was God's covenant with Noah?'

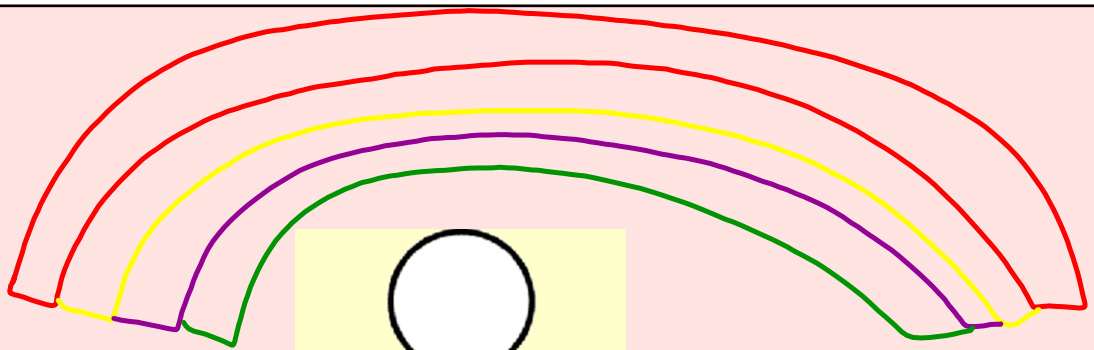

Finish this sentence starter underneath the picture —
'What I would like to say about God in the story is...'

The story says God sent the flood to bring good into the world and wipe out evil, and that after the flood he promises to stick with people — even though people often mess up; God keeps on forgiving.

Discuss this as a reason why Christians/Jews still read and remember this narrative.
