KEY LEARNING THIS HALF TERM:

- **ENGLISH:** This half-term we will focussing on two texts: Varmints and Boy 87. The children will be completing a range of writing styles based on the texts.
- **MATHS:** This half term we will focus on consolidating various areas of the maths curriculum.
- **SCIENCE:** Classification. Children will learn all about how living things are classified. The Circulation System. Year 6 will learn all about how the human body transports blood.
- **HISTORY:** The children will be learning all about World War Two included how it started, key battles and the Blitz.
- **PSHE:** "How do friendships grow and change?" We will learn about how our bodies change and transition to secondary school.
- **RE:** "What will make Clayton a more respectful place to live?" We will learn about how different religions show tolerance and respect to each other.
- **DT:** This half-term, Year 6 will be learning about healthy meals, electrical systems and automata toys.
- **COMPUTING:** this half term we will be learning about the history of computers and Bletchley Park.
- **ART:** making memory boxes to remember our time at primary school.
