L.O. To infer

What do you think the text is about?

Who are the characters?

When is the text set?

I predict

Where is the setting?

What do the colours indicate?

What kind of text do you think it is?

What does the title tell you about the text?

Write sentences using conjunctions to infer. I do

Because the Viking is carrying a sword, they might be going into battle. It is about Vikings but I think it is a story.

In pairs, write sentences using conjunctions to infer.
We do

I think the characters are a king and his men because they are following.
