LO: To infer information from an extract

SC: I can read aloud

I can find information

I can annotate my text

Oct 3-07:11

Match up the definitions for the following set of words:

trench	Tiny, only seen using a microscope.
artefacts	A person who takes up a sport or hobby (unpaid)
excavation	Digging an archaeological site.
microscopic	A long, narrow ditch.
amateur	An object made from the past studied by archaeologists.

Oct 3-07:11

Find and copy a word which tells you that oysters were 'commonly' consumed by the Vikings

What was found on the archaeological site which helps us to know what the Vikings ate?

Give two reasons why you think inmates of HM Prisons were allowed to work on the site during their day release from prison.

How do you think the artefacts discovered in York should be showcased so that we can learn from the past?
