Slide 1 - What is Rock N Roll?

Started in America.
1940/1950.
Styles of music Jazz, Blues, Country and Gospel.
Played on the radio or you could buy 45rmp vinyl records.
Teenagers liked it because it was loud, fast and they danced to it.
The older generation did not like it because of the sound and style.
Lyrics were about falling in love, parents, cars and school.
Instruments were electric guitar, drums, saxophone, keyboard, and base.
The music follows a 12 bar blues cord structure of
CCCC
FFCC
GFCC
Famous artists were
Jerry Lee Lewis
Elvis Presley
Chuck Berry
Buddy Holly
