LO: To know what is meant by 'stereotypes'

Oct 30-12:43

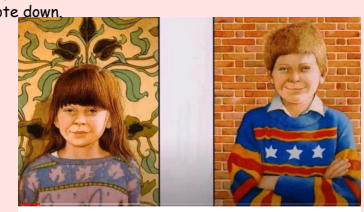

Using your two post-it notes, write a list of words to describe the boy and the girl in the pictures below. Make sure you write 'girl' at the top of one post-it and 'boy' at the top of the other post-it note. Think about their personalities, hobbies and what they like to wear.

Oct 30-12:43

Now stick up your post-it notes on the class pictures of these two children.

What do you notice? Discuss whether our class has stereotyped which colour of post-it note they chose to write on for each character. Look at what interests/ hobbies you wrote down.

Oct 30-12:43

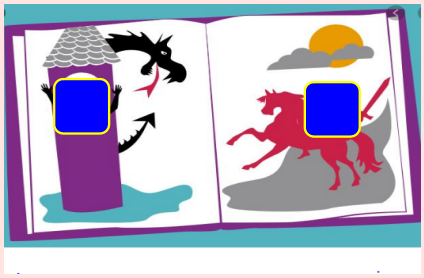

Watch the story 'The Tunnel' about these two children

Were your stereotypes of what these children liked doing in the story correct?
Were there any surprises in this story?
