Oct 30-10:37

13	14
treize	quatorze
15	16
quinze	seize

Can you hear the rhyme?
Practice these 4 numbers as a rhyme, clapping both thighs and clicking fingers on both hands as you say them.

Introduce imagery to help you remember:
quatorze - a cat rowing with oars,
quinze - baked beans in cans,
seize - Simon says

Oct 30-10:45

17	18
dix-sept	dix-huit
19	20
dix-neuf	vingt

How are the numbers 17-18 formed?

vingt - a van (filled with French numbers)

Oct 30-10:48

Count forwards and backwards

Oct 30-10:48

Number Ping Pong
"bat" a number to the class and they" bat" the same number or the number above or below back to you.

Oct 30-10:48

Draw a number on your partners back and they have to say the number in French then swap over.

Oct 30-10:48

French bingo.

Draw a grid with 9 numbers in.
I will call out the number in French.
Then cross out that number.
Once you get a line say Bingo!
