LO: To write about the people of God
(cold task)

What is it like (for Christians) to follow God?
Who is Noah?

Nov 8-10:18

LO: To make clear links between the story of Noah and the idea of covenant.

Nov 8-10:18

Imagine your parents have told you to help build a yacht. Your parents have instructions showing you how to do this. You must leave school and begin building immediately because your family needs to sail away on the yacht as soon as construction is finished and will never return to your normal lives. Are you happy to go and build the yacht? Would you like to sail away? What would you miss from your normal lives? Do you think this seems a sensible plan? How surprised are you by your parents behaviour?

Nov 8-10:29

Record your answers to the questions on thought bubbles.
