Read the WAGOLL again.

Today you are going to write the first paragraph of your letter.

I do

We are living in a small, pokey one bedroom flat, right at the top of a high rise block of flats which is in the centre of a city called Bradford. Because the lift doesn't work, we have to climb lots of flights of stairs to get to the top. Mum says it is good exercise. It is much colder here and it rains a lot which means we can sometimes feel cold at night. In the flat next door, there lives a girl of my age who looks friendly but it is difficult to understand what she is saying. We feel so much safer here and I enjoy playing in the shared garden although I really miss my bedroom at home.

We do

Read the first paragraph of your plan. Tell your partner what you are going to write. Write some sentences together on your whiteboard.
