LO: To compare maps of pre-industrial Bradford and the present day.

Dec 15-16:08

Where do you think this is a map of?
Do you recognise any of the places?
Explain how you know.

Dec 15-16:27

Create a mind map about what you know about Bradford and the Victorians.
Can you name any of the landmarks?
Who were the Victorians?

Use your pencil to write what you know.
Write some questions that you want to find out about Victorian life in Bradford.

Dec 15-16:17

Dec 16-15:38

Read the text about Pre-Industrial Bradford.

Dec 15-16:53

Look at the 2 maps of Bradford.

What do you notice? Make comparisons.

One map is from the present day and one is from pre-industrial Bradford.

Do you know which one is which?

Dec 15-16:18

Dec 15-16:51

Activity

Then and now

Using post-it-notes make comparisons

Take photos for books.

Dec 15-16:30

Why do you think the population increased?

The United Kingdom's population at Victoria's accession in 1837 was about 25.5 million, eight million of whom lived in Ireland.

At her death in 1901, it had risen to 41 million.
