LO: To plan a sequel

Read the WAGOLL with your partner.

What features can you find?

What do you like about the sequel?

Today you are going to plan your own sequel based on the text.

What features are you going to include?

Who are your animals?

Where do they start?

Where do they go?

What happens to them?

How does the story end?

Animal: pigs Setting: spacious, windowless barn Creature who watches: tiny, attentive mouse on a mossy rock. Start to fly
Gliding through the sky serenely, the hefty, rosy pigs didn't see the clock tower which they crashed into.
At 11.12 P.M., a young, sleepy teenager ate a bowl of cereal, while the pigs floated by the window.
Near a farm, the pigs spotted an ancient, grand mansion so they went inside.
They listened to music whilst a small child slept soundly.
At 4.38 A.M. a herd of menacing cows chased the pigs.
As morning dawned, the pigs started to tumble from the sky.
Animal returns to original setting Back in the barn, the pigs looked confused and flabbergasted! Next Thursday, strange shadows, the shape of worms, started to cross the sky....
