We do

Create your own spider diagram about your interests,
and strengths and your family and friends and share it with your partner.

I do

Dear Mrs Freibach,

I am really looking forward to being in Year 5 because I now feel more grown up and ready to move to another year group.
I am a kind, helpful boy, who always tries hard in my work. I have two brothers and I live with my mum. My best friends are Ellis and Hussain and we like to play basketball outside.
My favourite subject is maths because I like solving tricky calculations. In Year 5, I am going to aim to get my handwriting pen so I will practise my handwriting regularly.

We do

Answer the questions with your partner.

What kind of person are you?
Who are your family?
Who are your friends?
What are you good at?
Which subjects do you like?
What are your hobbies?
What do you want to achieve in Year 5?

You do

Use your spider diagram to help you to write a letter to tell me all about yourself.

Dear Mrs Freibach,
