Tuesday 25th May

LO: To write a biography

Today you are going to use your plan to write the first draft of your biography.

I do

Structure	Notes
Introduction • Who is it about? • When was he born? • Where was he born? • What is he known for?	• Antonio Fattorini, an Italian immigrant • Born in 1797 in Bellagio, in Switzerland • He designed the FA cup trophy • He had a chain of famous jewellery shops • Invented the first chess clock

Antonio Fattorini was an influential figure in Bradford's history. Have you ever heard of this talented watch maker? Fattorini, an Italian immigrant, was well known because of his invention of the first chess clock.

He was born in 1797 in Bellagio, in Switzerland. Anotonio's chain of jewellery shops were famous and he also designed the FA cup trophy. What an amazing man he was!
